Anna's Speech & Language Therapy

Meet Anna, your dedicated specialist speech and language therapist. With her patient-centered approach to therapy, she works with both adults and children, addressing a wide range of speech language and voice conditions. Anna understands the importance of tailoring techniques to each individual's needs, using evidence-based practices to benefit not only the child but also their family.

Anna offers a comprehensive initial assessment, delving into the patient's case history to gain valuable insights. Following this, she provides a personalized recommendations for direct or indirect therapy. If deemed appropriate, Anna will also offer advice on the most suitable strategies and a way forward. For those looking for a more extensive therapy plan, Anna offers package deals for block bookings, ensuring a consistent and effective approach.

With registrations from RCSLT, ASLTIP, and the HCPC, you can trust Anna's expertise and experience. Having worked in both the NHS and private sector, she brings a diverse skill set to help you or your loved ones achieve communication success. Take the first step towards improving speech and language abilities by contacting Anna today.
